Dear Participating Employer Group:

Attached are two documents that will be mailed to employees homes on April 27th. The documents address the 2017 wellness incentive and explains that if the member successfully completed the requirement for the 2016 they will also receive credit for 2017.

Members who did not complete the requirements will have the opportunity to complete them by September 30, 2016 to receive the 2017 credit. Member questions should be directed to the Care Coordinators at Quantum Health at 855-452-9997.

Meritain will not be providing the on-site biometric screenings this year. However, member districts may choose to arrange their own on-site or local screenings. If you decide to arrange such screenings you will be required to either submit a single form detailing those covered employees who received the screening or have the employee file the claim for reimbursement.

Please let me know if you have any questions. Have a good day.
