

This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Yvonne Gamble (Yvonne.Gamble@meritain.com) at the Metro East Service Office of Meritain Health to update the contact information.

Dear Participating Employer Group:

Over the past several weeks we have received several inquiries concerning 3D mammograms. Due to the volume of inquiries we thought it best to put a message/flyer together to explain how the Egyptian Trust Health Plans (applicable to all plans) address 3D mammograms. Attached is the flyer that discusses what a 3D mammogram is, costs, and coverage available through the Trust Plans.

Please feel free to email this flyer to your employee base with health plan coverage or print and post in your buildings as you see fit.

If there is ever another subject you would like addressed as such, please feel free to reach out to me. We will be happy to assist where possible. Have a good day !
