
This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Yvonne Gamble (Yvonne.Gamble@meritain.com) at the Metro East Service Office of Meritain Health to update the contact information.

Dear Participating Employer Group:

As you know, there have been several questions from your membership concerning the dental and vision program that became effective today, September 1, 2015. Your new programs are through Ameritas who is providing an update as follows. Ameritas has asked that we forward this information to you on their behalf. Please do feel free to share this information with your employees so they are aware of the status of the dental and vision programs. Thank you.

Message from Ameritas:
Dental and Vision Update-

The eligibility files were uploaded with Ameritas today, and will be on VSP's system tomorrow. Your dental and vision benefits do not require you to present an ID card at the time of service, however, many of your providers will feel more comfortable with one, while others simply want your identification information, the Group #350831 and to know Ameritas is your dental carrier, and Ameritas is the administrator for your VSP coverage for vision.

ID cards are automatically generated and will be mailed you your home address. If you need one for an appointment before that, you may print one online going through the secure website.
Attached is a reference sheet.

Members can access, view, print, and save their personalized ID card on our secure Member site. Log in or create a secure account and choose ID card from the Quick Links on the left side of the page.

While you are fielding questions at your districts, please remember that we have set up a resource website. Here is the link:

www.ameritas.com/group/olbc/egyptianschooltrust

Among the links to help you find a provider, claim form, form to enroll a dependent for disabled status, we also have Frequently Asked Questions that include website links, and phone numbers to call for more assistance. Attached are those FAQ's.
