
Dear Participating Employer Group:

It's come to my attention that several of the Egyptian groups are not receiving the mass emails that come from my assistant, Yvonne Gamble. As one of the districts technical team pointed out, her emails were going to spam/junk because of the last name "Gamble". Thanks for that information, Jennifer.

I have sent several emails over the past couple of months that have come from Yvonne. Please check your spam/junk and correct your settings to allow receipt of emails from Yvonne Gamble. If you have any questions please contact me directly. If you would like the emails resent please let Yvonne Gamble know and she will send them to you again (after you change your email settings to allow her incoming emails).

We would appreciate if you would reply with acknowledgement that you have checked your junk/spam for any emails from Yvonne Gamble and that you've taken the steps to allow receipt of emails from her.

Thank you for your assistance and have a good day.
