CLINICAL UPDATES

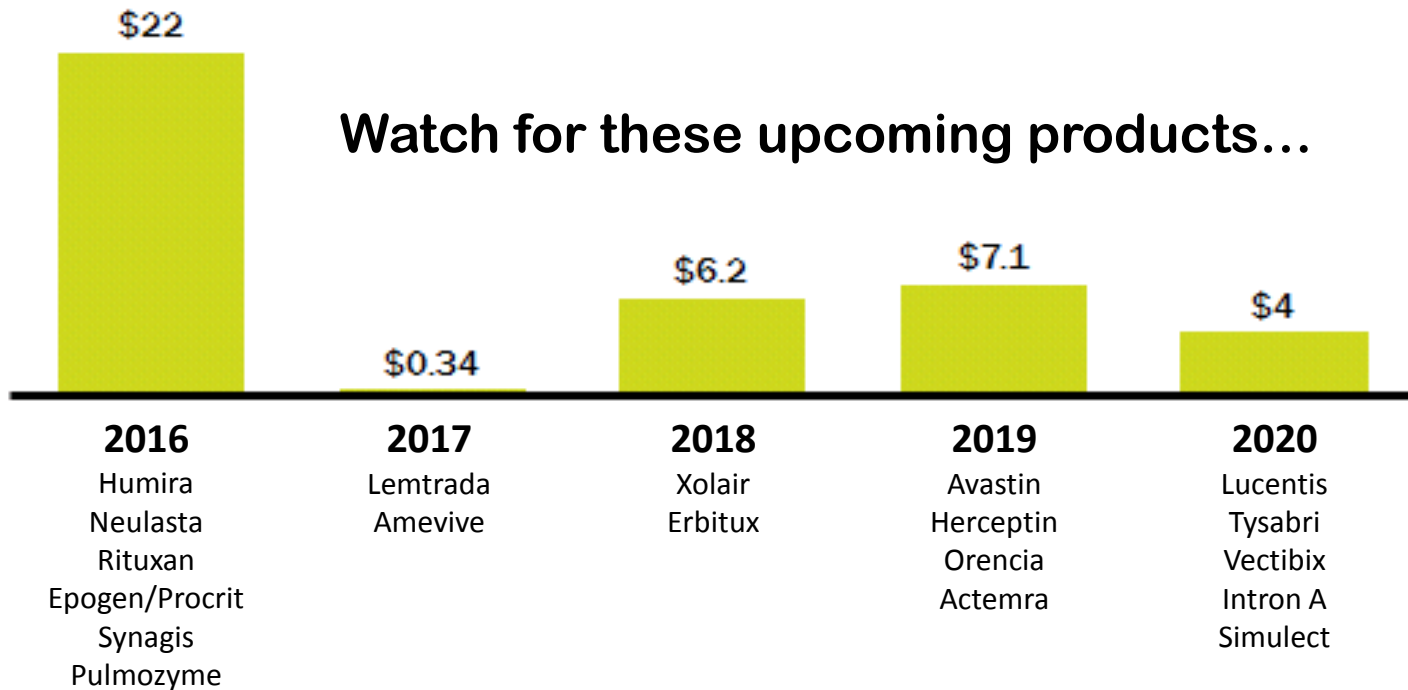

DON BISHOP, R.PH.

Biosimilar! ...What does that mean?

Current FDA Approved Products

Zarxio (filgrastim-sndz) - Neupogen: 3/6/2015

Inflectra (infliximab-dyyb) – Remicade: 4/5/2016

Not a Brand....

Not a Generic..

It's a Biosimilar!

WE NEVER LOSE SIGHT OF WHAT REALLY MATTERS

Proper drug therapy results in:

- Lower Rx costs
- Increased compliance
- Positive clinical outcomes
- Increased drug safety
- Healthier member

— We do this by:

- Continue to crack the code on specialty pharmacy management options
- Enable members to make the right decisions
- Simplify the member experience through technology
- Offering robust drug utilization management and clinical programs

Thank you
