### Dental Health Scorecard

How would you rate your dental health?

In 2016, you can receive your Dental Health Report Card by signing into your secure member account online. Your assessment is based on claims submitted. The report card also offers suggestions if you strive to improve your dental health. Ameritas members can access the personalized report card by going to [ameritas.com](http://ameritas.com), click Account Access in the top right corner and choose the Dental/Vision/Hearing drop down. Select the Secure Member Account link and sign in to see your report.

### Rx Savings

Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.

To receive this Rx discount, Ameritas plan members just need to visit us at [ameritas.com](http://ameritas.com) and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

### Eyewear Savings

Ameritas plan members may receive up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium.

To receive the eyewear savings identification card, Ameritas plan members can visit [ameritas.com](http://ameritas.com) and sign-in (or create) a secure member account. Members must present the Ameritas Eyewear Savings Card at time of purchase to receive the discount.

### Ameritas Rewards<sup>SM</sup>

Ameritas Rewards is an enhanced product that offers an increased maximum for hearing, LASIK, orthodontia and vision as well as dental. It allows members to utilize unused dental maximum carryover amounts from previous years towards dental benefits or other lines of coverage included in a plan. Employees and their covered dependents may accumulate dental rewards with an unlimited maximum carryover amount. These rewards can be used to increase the maximum for the other lines of coverage which can then be used for certain covered services or materials subject to applicable deductible, coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. A member is eligible to earn rewards again the next year.

Benefit Threshold	\$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Ameritas Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$150	Additional bonus is earned if the member sees a network provider
Maximum Carryover	Unlimited	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

### Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

### Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on September 1.

### Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

### Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

### Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal.

Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan.

The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

In addition, when members are in their Secure Member Account, they can:

- Go paperless with electronic Explanation of Benefits statements and reduce the clutter in their mailboxes
- View their certificate of insurance and specific plan benefits information
- Access value-added extras like the Rx discount ID card

### Worldwide Support

When our members travel abroad, they'll have peace of mind knowing that should a dental or vision need arise, help is just a phone call away. Through AXA Assistance, Ameritas offers its dental and vision plan members 24-hour access to dental or vision provider referrals when traveling outside the U.S.

Immediately after a call is made to AXA, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits. Contact AXA Assistance USA toll free by calling 866-662-2731, or call collect from anywhere in the world by dialing 1-312-935-3727.

### Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

### Civil Union

Illinois law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. Illinois also recognizes a marriage between persons of the same sex, a Civil Union, or a substantially similar legal relationship other than common law marriage legally entered into in another jurisdiction. However, Insureds should note that some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a Civil Union.

### U&C Disclosure

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. U&C levels are based on experience from the Company and an independent outside source of claim charge information. First, all ZIP codes are grouped into one of 25 groups based on relative Type I charges and another group for Type II charges. The charge experience for the 25 Type I or Type II groups is pooled for credibility. From these groups, U&C percentiles are calculated for each procedure (for example, 75th U&C is exactly the charge such that 75% of all charges for a given procedure are less than it). Once U&C's are calculated for each procedure and grouping, the values are blended with like data from the independent external data source using a 60/40 blend, 60% Company data and 40% external source data. U&C charge levels are adjusted in this manner twice a year.

### Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$250	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$125	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$50	Additional bonus is earned if the member sees a network provider
