

Start Saving Money on High-Cost Medications with FlexAccess™

FlexAccess is a cost assistance program designed to help you lower your costs if you take certain high-cost medications. This program is part of the Blue Cross and Blue Shield of Illinois health plan your employer offers.

Get the Most From the FlexAccess Program

- If you or your dependents take one or more of the medications in our program, you may get a letter or, in some cases, a phone call from the FlexAccess team to help you get started.
- The team will review your cost share (what you pay when you buy your prescription) at the pharmacy you use now. The new amount you would pay may be as low as \$0.
- Speak with the FlexAccess team, even if you are using a drug manufacturer's coupon now, to make sure you are paying the lowest cost.
- Participating in this program is your choice. If you don't take part, you may pay up to the full price of your medications.

Call FlexAccess at **888-302-3618**, M-F, 7 a.m. to 7 p.m. CT, or email FlexAccess Member Services at **member.services@flexaccessrx.com** to ask any questions or find out if your prescription drug is part of this program.

Prescription drugs included in the program may change without notice. If at any time your medications are no longer part of the program, your out-of-pocket prescription cost will be based on your plan benefits.
